

# QUALITY POLICY

## STATEMENT OF THE MANAGING DIRECTOR

The complete involvement of the top management to comply with requirements of the specification ISO/TS 16949:2002 and participation of all organizational units of the Company in realization of the quality objectives and continuous improvement of the effectiveness of the Quality Management Systems guarantee achievement of the appropriate Customer satisfaction.

This Quality Policy provides a framework for establishing and reviewing quality objectives, is communicated, understood and reviewed for continuing suitability.

Our strategic plans assume achievement of the high product quality with the minimal quality costs and systematic increase of our participation in home and foreign markets.

PPWG WOLMOT Sp. z o.o.  
President of the board.
